STATION TO STATION WALKS

WALK
15

CAMBRIDGE to CAMBRIDGE NORTH 5½ miles - 3 hours

KING'S COLLEGE

The walk includes several of the best-known views in Cambridge, as well as picturesque byways through the city, where ancient colleges and modern commerce mingle.

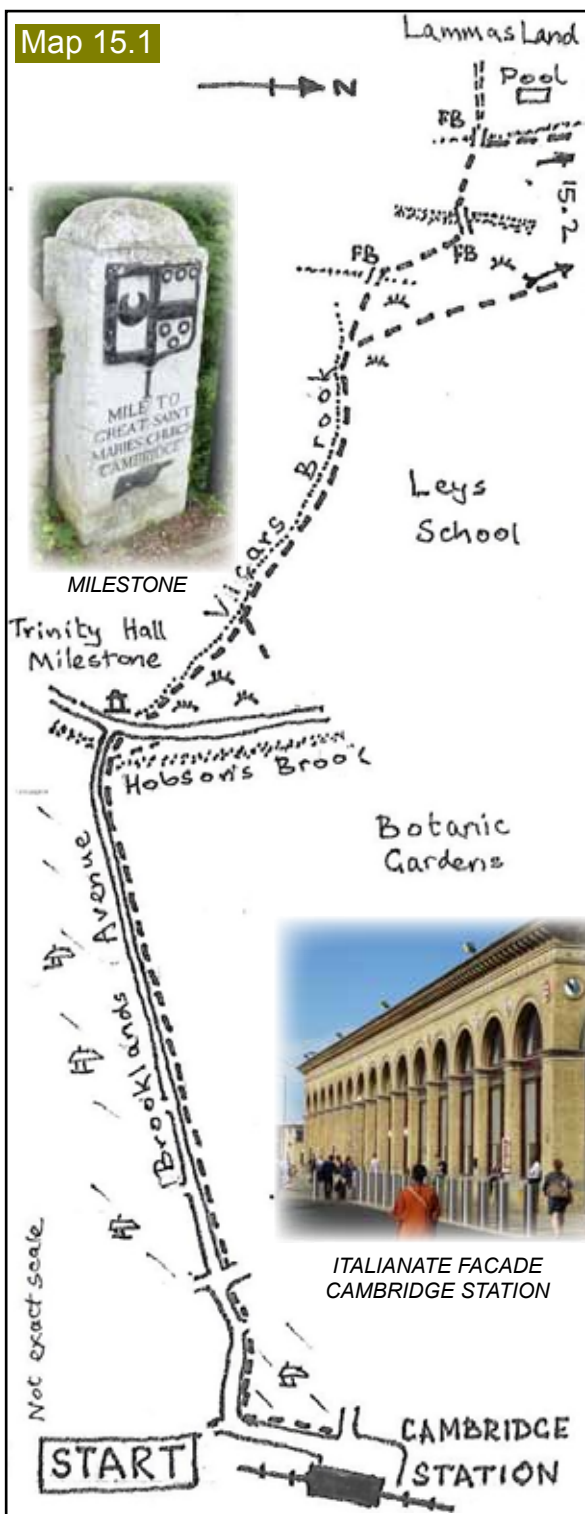

Enjoy punting scenes on the upper river before following riverside paths across extensive greens and commons often grazed by cattle.

Boating activity downstream may be frantic as college and town crews compete in traditional 'bumps' rowing races. BEWARE BIKES along every part of the route - or bring your own!
